As far as I know no cards. What I saw was a business card. Let's just throw it out there. James Nalley has a big mouth and will make a mountain out of this. I'm ready to make any moves you need. My son is poking around and hasn't heard anything in a while. Let me know how you want to proceed. I'm ready.

Spoke with James and told him you would call. His cell is 812 528 0802. He is in Newark helping out this week.

Said the Transerve union stewards are approaching our drivers and attempting to get them to sign cards.
